

## **LIMITATION DOCUMENT**

**Template Name :** Delete\_expired\_SSL\_certificate\_Genric

**Version :** V0.1

**Limitations:**

1. Client SSL name which has an Associated Expired Cert and Key will not be displayed in the AppviewX cert inventory for the AppViewX version 11.4 and F5 version 11.
2. Permutation of Associated Client and Server Profiles for the AppViewX version 11.3
3. Duplicate Entry added for cert while managing the Cert for the AppViewX version 11.4(Not reproducible)
4. This template will not support the version 11.3 and below.
